Special thanks

To **PHILADELPHIA HOUSE-PLANT WHOLESALER, INC-1233 BAINBRIDGE ST** for their donation of a Christmas tree and stand to the Hawthorne Cultural Center, which made the children at HCC very happy

To Ms Sandra Cooper, she was able to get the *South Philly Review* (the weekly neighborhood paper) to donate toys and clothes to the group, they placed an advertisement in the paper listing HEC'S phone number and hers the Items received were given to the families that called who were in need of help.

Also Ms Cooper was able to get donations of food baskets from the **PENNSPORT CIVIC ASSOCIATION** that will be delivered by PCA to families in the area who might not have a Christmas dinner.

To Councilman **Frank DiCicco**, State Representative **Harold James**, State Representative **Babette Josephs** and State Senator **Vince Fumo** for their continued Support. They were all instrumental in helping us get funding.

To Dan Love for doing the layout and graphics for our newsletter, we would not have the quality newsletter that we do if not for Dan. I am sure many of you were not aware that he works quietly in the background doing this work for HEC.

To all of the people on the board who work hard and give up a lot of their free time to help HEC take care of community affairs. There is a lot of work to be done and many meetings to attend and these dedicated people can be depended on to do what it takes to help make Hawthorne a better community to live in.

A Very Good Year

This has been a good year for HEC. We have new friends, some residents were employed, and our first HEALTH FAIR was held, it was planned by Yvonne Hicks Chairperson of the Health Fair committee and required a tremendous amount of work on her part, Albert Hicks chairperson of the NEIGHBOHOOD ACTION committee was able to gain employment for six community members

Sandra Robinson Chairperson of the Beautification committee made new friends for us, now we have the Horticultural Society and Philadelphia Green planting trees and proving guidance for the park. Our old friends at the University of the Arts are still involved in the park project. We will have a new committee as soon as some logics are worked out.

I hope to see more community residents attend the general meetings in the New Year; we need more people to help make Hawthorne a great place to live.

Acting President

Next HEC Meeting

January 11, 2005
7:30 P.M. –General Meeting
at the
Arts Bank
Broad and South Streets

You must attend five general meetings to vote or run for office, we have five more meetings before the June elections.

Deck the Halls

To those who missed a great opportunity to create a festive decoration for the Christmas Holiday, the photos below will give you an idea of what you missed. The expert guidance of **Debbie Hall** and **Jackie Wright** from Philadelphia Green, was just what we needed to get creative. Swags, Wreaths and Centerpieces were the main attraction. A nominal charge of five dollars per project (for materials) was all that was required. The wreath I made, will adorn our front door till it falls apart.
